Rincon de la Vieja Volcano

The best way to do all the Adventure Activities in one day is to visit Hacienda Guachipelin.

Start with the Canopy Tour and fly on the top of the trees and get what the bird's feel while they visit the forest.

Zip lines are always fun but this one in particular includes: 1 Free Style Rappelling, 2 Tarzan Swing's and a Climbing wall next to the canyon of the river.

Continue with the Guided Walk or Guided Horseback ride to "Las Chorreras"; fantastic Light Blue River that has a big Waterfall that you can jump from or just relax and swim at the bottom of the Waterfall.

Since we are already wet, let's do some tubing on the river that will take you along in a Class II rapids but for all ages. Costa Rican Typical Buffet will wait for us at the restaurant and after that we will spend the rest of the day at the Natural Volcanic Spa.

Volcanic Steam Room, Mud Bath and Hot Springs.

In the way back home we will stop in Liberia and give you a small city tour and visit the 3 Main Attractions in town: The Old Cathedral, The New Church and Calle Real.
